

Dearest

From the day I laid my eyes on you, I knew that you were incredibly unique. I did not realize it then, but I recognize now that you are God's extraordinary gift of love to me. You have loved me all the way through the sunshine and the downpour, and while at times I may not say it, I love you with the whole thing that I am. You are my best pal and the most adorable and caring individual I have ever known.

My love, you give the whole meaning to my life. It will be a credit to have you as my lover, and the father of my kids. Lots of love for you darling.

Love,
