

My Love Shiny,

It is important for me to express to you how much you really mean to me. Though we are hundred miles apart but it is not a matter because you are always in my heart. I know it is difficult for you, and also for me, to be separated for a long time. Life seems to be full of trials which test our inner strength and more our devotion and love for one another. True love is immeasurable and overcomes difficult circumstances. Our love has been assaulted many times, and I am convinced that it is true because the longer I am away from you, the greater is my desire to be with you again.

I cherish any thought of you, and memory of you that rises from the depths of my heart. Until that moment arrives, I send my tender love to you, and my warm embrace.

Love always,
