Dear [Ms. Singh],

Very rarely do we acknowledge the role of people who shape us and mould us and help us to find ourselves in that process.

Today, as I stand holding my head held high, I cannot help but bow down to the teacher who has made me what I am. I would like to sincerely thank you for all the efforts and the patience you have shown in transforming me from an [aimless teenager] into a responsible and focused person.

I shall always remain grateful for all the things I have learnt from you, be it the subject you taught or about life in general.

If there is ever anything I can do for you, it will indeed be a great honor for me.

With sincere thanks for everything.

Warmly,

[Anmol Thakur]
