To the Wonderful and Kind Ms. Willis,

My husband and I can't thank you enough for teaching our daughter Jenny all these years. We are excited for her moving on to middle school, yet sad that you won't be her teacher anymore. As you know her so well, Jenny can't understand emotions, so you can imagine how deeply touched we were when she came home from Lake View Elementary for the last time with brimming eyes, and said: "Why can't Ms. Willis be my teacher in the new school?"

Thank you for giving Jenny a wonderful 6 years of warmth and inspiration along with your great teachings.

Because you are such an amazing teacher, and a good-hearted person, that you went out of your way to make Jenny's classmates understand her Asperger's and not pick on her, we are so lucky to have you in our lives.

We will miss you!

Warm regards,
