

Happy Holidays!

My Dearest Edward,

When my elves pointed to your name on my Naughty and Nice list, I became quite merry. You see, you have received an outstanding number of gold stars for kindness, consideration and helpfulness this year. Your grandma also reminded me of how dependable you've been about making your bed.

I know you requested a Wii Game Console for Christmas...that's a pretty big order, but I'll see what I can do.

My visit to your home in Philadelphia is at the top of my schedule, so remember to be fast asleep in your bed early on Christmas Eve. By the way, I'd love more of those chocolate chip cookies. They were delicious! Mrs. Claus would be jealous.

There's lots to be done up here. The reindeer need new bells for their harnesses, the ribbon-curling machine needs oil...oh, the list is endless.

Well, the elves tell me it's time to judge the peppermint stick contest, so I best be on my way...

Wishing You a Very Merry Christmas,

Santa Claus
